## 7. Övriga frågor

### 7.1. Musik på pubar

Don't queue random songs during the pubs, the music is part of the experience for the guests. Make sure that any songs that are queued are fitting for the current vibe of the pub.

### 7.2. Öppningstid på pubar

Opening time for pubs is 15:00

**7.3. Städning i allmänhet**

There have been complaints several times, make sure you “tick off” all the boxes from the cleaning list. Someone on the board is going to be made responsible for the cleaning days.

**7.4. Städning på Internfester**

Everyone should help, make sure that you *at least* clean up after yourself during internal parties.

**7.5. TMEIT 15-year anniversary**
