## 6. Discussions

### 6.1. Previous events

#### 6.1.1. Mottagningen week 33-35

During planning week the Tmux at the time was absent a lot and it didn't go too well.

As for the Lab gasque, communication between the tonförare and the workers behind the bar was bad, also the tonförare should not drink too much.

There were communication problems between the fadders and the workers, they also didn't check ids.

The reception in general went well, Nollan was really hype about reception, around 100-110 signups.

Phöz gasque went well.

**6.1.2. Spikenprovning 2020-08-09**

Fun, good that it was more official voting.

**6.2. Upcoming events**

**6.2.1. Prao Meeting 2020-09-03 and 2020-09-04**

Around 25-30 persons per meeting, people who took part during the reception will be prioritized since they know "N0llan", contact TM or VTM if you're interested in going.

**6.2.2. First TMEIT pub 2020-09-18**

Active students, and committee members will be prioritized (chapter rule), Mecenat card should be checked.

Beerpong tournament themed and the new Spiken will start to be sold. A signup for the tournament will be created.

**6.2.3. First INternal party 2020-10-10**

No theme yet.

**6.2.4. Sjöslaget 2020-10-11 to 2020-10-12**
